

JUNIOR SERIES 2* EVENT REGISTRATION GUIDE

IMMEDIATE ACTION ITEM:

- Ensure that you have purchased your IFSA and regional memberships (exception Eastern Canada). LiveHeats won't allow anyone to register unless they have **both** IFSA and their regional memberships. Please refer to this [tutorial](#).

All regions except Far West, East Canada, and Eastern are closing regional registration to out of region athletes for the first 72 hours of registration. If the event is full after 72 hours, it will not open to outside regions, regardless of seeding. Other regions have voted on on varying registration windows from 4-8 weeks. If you are looking at out of region events contact that region.

DECEMBER:

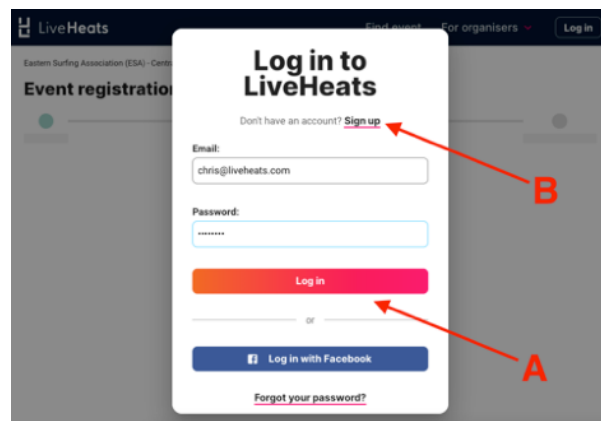

- Consult with your coach to identify the 2* Events your team is supporting this season.
- Review the IFSA Event Schedule and individual Event Pages. Please be aware that these pages are promptly updated as soon as we receive information from the Event Organizer. While we strive for advance notice, it's important to note that sometimes this information may only become available a few weeks to a few days before the scheduled event date. Check back often.

DAYS PRECEDING REGISTRATION OPENING:

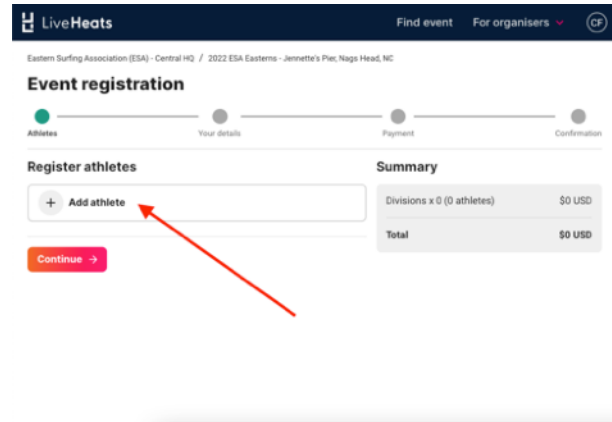

- The seed list is based on an athlete's best 3 results in the past 52 weeks. Please note that this year's junior seed list models the FWQ and Region 1. It does not break out age divisions or regions. New or low-ranked athletes may need to start at lower-level events to earn points and move up the seeding list. Before registration, the seeding list offers guidance but isn't a definitive measure for event entry. The popularity of some events may attract more highly seeded athletes, while others may not. The list becomes most helpful once registration has begun and you can assess the waiting list against the 50% of starts to gauge likelihood of entry. [Review your seeding](#) here.
- Test your [LiveHeats](#) login
- Registration will generally open 4-8 weeks before the event. Please refer to the Registration Opening Dates listed on the IFSA Event Pages. Import event dates from the [IFSA Calendar](#) and set reminders. Please scroll to the bottom of the Events Page on the IFSA website to subscribe to our calendar and import.

All regions except Far West, East Canada, and Eastern will initially open registration for 72 hours to only athletes registered within their region. All athletes will immediately be placed on the waitlist. After the initial round of registration closes, if there are still starts to be filled, it will be opened to all regions.

Immediately after registering, athletes will receive an initial email acknowledging receipt of their registration. It's important to note that this email is solely a confirmation of receipt and does not imply entry confirmation.

REGISTRATION CLOSES:

Registration will close after 72 hours, and at that point, the waitlist will be arranged according to the current seeding list. The top-seeded athletes will be confirmed into 50% of the event's starts. Credit cards are charged at the time of athlete confirmation for an event, along with non-refundable LiveHeats and IFSA fees.

Once the initial 50% of starts have been allocated, the remaining athletes on the waitlist will be reorganized based on the timestamp of their registration. The subsequent 50% of event starts will then be assigned to those with the earliest timestamps. Again, at the time an athlete's participation is confirmed for an event, credit cards are charged, inclusive of non-refundable LiveHeats and IFSA fees.

Athletes who have been awarded a start will receive an additional email confirming their participation in the event once the 72-hour registration period has concluded.

CANCELLATION:

To support your fellow athletes on the waiting list, please cancel your registration as soon as possible if you cannot attend. Cancellation policies vary by event, and no-shows are non-refundable. Cancellations made a week before an event are non-refundable.

In LiveHeats, you can proactively remove yourself from a waitlist before receiving acceptance, ensuring you stay within your allotted event registrations.
